Event no.2:-I_m_Sherlocked :

Description:

Here is a chance to get the Sherlock Holmes out of you!!

Get set go for a LIVE CRIMINAL CASE and disclose the mysterious murder!!....come and show your detective mind to the world!!! Prove yourself as real Sherlock Holmes!!!

Create an interesting on-campus murder story. This event will have multiple participating teams. Leave clues tracing back to the murder on the campus. The clues should lead to witnesses (volunteers should be asked to role play) and the one who finds out the real murderer first wins!

Event will have a back story and leave clues all around the campus, along with dummies acting as dead bodies, and have some volunteers act as witnesses.

You can participate at a nominal fee of 50 INR per team (or Free if you have workshop's pass).

Rules :

- Each team consists of 2 members.
- This event tests the general aptitude of the participants on their basic logical skills.
- The team have to collect the scattered evidences in a pre-organized crime scene. You are supposed to build up the sequence of crime based on the evidences collected, thus describing the crime scene.
- If any two teams score the same, then winner will be that team which took less time

Price:

- Top 2 winners will get cash prizes worth upto **INR 500** , exciting **coupons & gift** vouchers.
